R.C No. 803/H+B/29

Station Madras. *Dated the* 30th August 1929.

From (Name) F.A. Hamilton, Esquire, C.I.E.

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Public (Police) Department.

Sir,

I have the honour to submit for the approval of Government a site plan and an approximate estimate for Rs.15,000/- for the construction of quarters for one Sub-Inspector and huts for one head constable and six constables at Golitattu in the South Kanara district.

2. In the last reallocation of the district, a police station was newly opened at Golitattu and its sanctioned strength is one Sub-Inspector, one head constable and six constables. As suitable houses in a healthy locality are not available, the Sub-Inspector and the men have to live in

rented houses in unhealthy places. In the interests of the health of the staff and for the efficient discharge of their duties, it is necessary that the staff should be provided with Government quarters as soon as possible.

3. As it was thought that the work would cost only Rs.10,000/-, an allotment has been provided for it in the current year. The present estimate is however for Rs.15,000/-, and the work will therefore have to be treated as a Part II Scheme for 1930-1931.

4. The site for the buildings is Government waste land and no land acquisition is necessary. It has been approved by the Site Committee.

5. The old design of 1917 has been adopted for Sub-Inspector's quarters and the Executive Engineer says that the amount provided will probably be sufficient for constructing the quarters according to the new design for Sub-Inspector's quarters in the West Coast which is under separate consideration of Government. The new design will be adopted when preparing detailed estimates.

6. Against the non-recurring expenditure now proposed, there will be a saving of about Rs.18/- per mensem in recurring expenditure under rent.

7. The statement to accompany estimates costing over Rs.5,000/- is enclosed.

8. In the circumstances stated in paragraph 3, I class this work as "urgent".

I have the honour to be,

Sir,

Your most obedient servant,

Extract of notes in the file relating to Buildings-Salem Dist. Denkanikotta-quafters for Sub Inspector of Police and huts for 1 head constable and 5 constables - Construction.

The proposal is to construct quarters for one Head constable and 5 constables at Denkanikota in the Salem District. The amount of the estimate as submitted by the I.G. of Police is Rs 11,787; but Judicial have reduced this to Rs 11,100 adopting the latest type design approved by Government.

2. In Finance u.o. note No. 21745 Bud-7 dated 24-7-29 deptts. of the Secretariat have been informed that in 1930-31 it will be necessary to curtail expenditure, especially on buildings, new commitments being cut down to a minimum.

In the present case, against the total estimated cost of Rs 11,100 it is proposed to provide only Rs 5000 in 1930-31, and carry forward the work to 1931-32. Submitted that this department may suggest that the proposal for the construction of the huts may be postponed to 1931-32.

V.G.K.
31-7-29.

The best plan will be to decide at time of preparation of Part II Budget how much it will be possible to spare for police buildings and leave it to Judicl. to select the works. But Judl. may note that it will probably not be possible to provide much, if any, money in addition to that necessary to complete or carry on buildings in progress and it will save them and everyone else a great deal of trouble if they do not send in a stack of Part II Schemes.
